## **INGRAM MICRO EUROPE NAMES NEW VICE PRESIDENT HUMAN RESOURCES & SERVICES**

**BRUSSELS (Belgium) – October 9, 2006.** – Ingram Micro Europe, a division of Ingram Micro Inc. (NYSE:IM), the largest global technology distributor today announced the appointment of Alexandra Nagels to the position of Vice President, Human Resources & Services for Europe, effective September 1, 2006. She is based in Brussels at the headquarters of the company's European division.

This appointment follows the transfer of Lynn Jolliffe to Vice President, Human Resources for Ingram Micro North America after 7 years in the European Human Resources & Services role.

Nagels will be responsible for all aspects of Human Resources in Europe as well as Six Sigma and Corporate Communications. This includes the strategic direction of the Human Resources department in Europe, closely working with the company's 15 European subsidiaries as well as overseeing the design and execution of management development and training programmes for Ingram Micro associates throughout Europe. Nagels reports to Hans Koppen, Executive Vice President and President Ingram Micro Europe and to Matthew A. Sauer, Senior Vice President of Human Resources Worldwide.

Commenting on the appointment, Hans Koppen said: "I am very happy to welcome Alexandra to Ingram Micro. Our associates are our most important asset and we want to recruit, develop and retain the best-in-class people at Ingram Micro. With her in-depth experience and extensive background, I am confident that Alexandra will contribute successfully to the further development of our human resources in our European region. I also want to congratulate Lynn on her new role and thank her for having been instrumental in guiding many changes and improvements in all areas of her responsibility across Europe".

Nagels has 20 years of experience in all aspects of Human Resources. After completing her Masters in Organisational Psychology from the University of Brussels, she began her career as a search consultant and then moved to Monroe Europe/Tenneco Automotive Europe for 8 years where she gained experience in HR in a plant environment initially and then as European HR Manager for EMEA which included responsibility for world-wide Quality System Projects. Alexandra led the Management Development & Executive Staffing role for C&A for 2 years and

then moved on to a start up company as VP HR for approximately one year. Her most recent corporate role was as International HR Director for the Telindus Group for 4 years with responsibility for their European and South East Asia operations. Over her career she has gained considerable experience in Eastern Europe as well.

### **About Ingram Micro**

Ingram Micro Inc. is the world's largest technology distributor. As a vital link in the technology value chain, Ingram Micro creates sales and profitability opportunities for vendors and resellers through unique marketing programs, logistics services, technical support, financial services and product aggregation and distribution.
