INGRAM MICRO AND UNIWIDE TECHNOLOGIES SIGN EUROPEAN DISTRIBUTION AGREEMENT

BRUSSELS (Belgium) / MILPITAS (USA), January 23, 2007 – Ingram Micro Europe, a division of Ingram Micro Inc. (NYSE: IM), the largest global technology distributor, and Uniwide Technologies, developer and manufacturer of world-class servers and workstations solutions for the global server and workstation market, today announced that they have signed a pan-European distribution agreement for the full range of Uniwide UniServer and workstation solutions.

The agreement covers Uniwide's UniServer quality platform solutions that can easily be configured into fully equipped and easily manageable server systems and that are been made accessible to all market segments for both 2way and 4 way, Dual-Core, AMD Opteron™ server platforms.

“We have selected Ingram Micro Europe because of its strong region-wide presence, its extensive base of more than 90 000 resellers across all customer segments, its exceptional logistic capabilities and comprehensive IT infrastructure, as well as its ability to support and develop the sales channel”, said Hans Cho, Chief Operation Officer at Uniwide Technologies. “Partnering with Ingram Micro in Europe will allow us to broaden our reach in the European region, making the UniServer platform solutions directly available to a much wider range of resellers and system integrators than before”

Commenting on the agreement, Sven Hollemann, Director Components at Ingram Micro Europe said: “We are excited to add Uniwide's UniServer solutions to our already strong components portfolio. Uniwide is one of only 4 AMD VSP (Validated Server Program) Partners worldwide. Through this new partnership between Uniwide and Ingram Micro, our resellers will now be able to have direct access to AMD validated server solutions.”

Ingram Micro will handle Uniwide purchase orders centrally through its pan-European business model and provide sales and channel marketing on country level, covering Austria, Belgium, Denmark, Finland, France, Germany, Hungary, Italy, Luxembourg, Netherlands, Norway, Portugal, Spain, Sweden, Switzerland and the UK.
