

## **INGRAM MICRO EUROPE APPOINTS NEW MANAGING DIRECTOR IN THE UK**

**BRUSSELS (Belgium), June 15, 2007** — Ingram Micro Europe, a division of Ingram Micro Inc. (NYSE:IM), the largest global technology distributor today announces the appointment of Julian Klein as Managing Director Ingram Micro United Kingdom, effective July 6, 2007. Klein will report to Johan Vandebussche, Vice President Ingram Micro Northern Region.

In this position Klein will be leading Ingram Micro's operations in the United Kingdom, including the offices and distribution centre in Milton Keynes, Maidenhead and Daventry.

Klein brings to this position nearly 25 years of experience in the IT industry. His most recent employment was with Steljes Trade, part of the Steljes Group and the UK's largest AV distributor where he held the position of Managing Director UK. From 2000 to 2004, Klein served as Managing Director Computer 2000, part of the Tech Data group after holding several managerial positions in business development, sales and operations with leading technology vendors including Xerox and Apple Computer.

"We are very pleased to have secured Julian's appointment and I would like to take this opportunity to wish him every success in this exciting new role", commented Johan Vandebussche, Vice President Ingram Micro Northern Europe. "With his extensive channel experience, strong network in the UK technology industry and his thorough understanding of the dynamics of distribution, Julian will be a very valuable asset as we are ready to capitalise on our success in the UK market and take it to the next level. Julian's mission will be to further develop the company's market position while ensuring highest levels of customer service and support. We are confident that Julian's leadership, expertise and customer focus will help build new areas of profitable growth in the UK and across the European region."
